

Heraldry of the Florida West Coast Chapter Challenge Coin

Designed in 2011, the ASIS Florida West Coast Chapter 30 challenge coin is a marriage of tradition and expectation, embracing past accomplishments while aspiring to even greater achievements in the future.

The front of the coin displays the ASIS International logo as well as our chapter designation and the year in which we were founded.

The red bands on both the front and back represent the men and women who have made the ultimate sacrifice protecting the lives and property of those they served.

There are twelve stars which are displayed in the red band on the back of the coin. They equate with the months of the year, reminding us that we must always be vigilant in fulfilling our duties and responsibilities on behalf of our employers, clients, and fellow security professionals.

The inner gold band on the back of the coin contains our motto, which reflects the very core of our Chapter 30 values.

The bridge on the back of the coin is a representation of the famous "Sunshine Skyway". It appeared on our original challenge coin, and links both sides of Tampa Bay. It stands as a symbol of the partnership and spirit of cooperation that exists between the public and private security professionals within our Chapter.

This coin is available at www.asistampabay.com
