# Chairman's Report

September 2010

Well, summer is over, the fall season is here and, hopefully the Florida temperatures will cool down to the levels that we all enjoy. For the remainder of 2010, the chapter has a good selection of meeting presenters waiting in the wings. Our host hotel, the Doubletree, is finishing up it's remodeling project with all new meeting rooms and their Chef continues to delivers some of the best lunch selections I have seen in years.

Ditek, the local power surge suppression equipment manufacturer, presented at our September meeting. Everyone in the room agreed that the information received was not only interesting but also critical for those with the responsibility of protecting electronic systems and networks.

The 2011 Chapter Seminar committee has been formed and has already had its first planning meeting. Al Perotti has taken on the challenges of chairing the 2011 seminar and the topics are being discussed and speakers are being pursued. I believe the main topic will be new technology and some very interesting speakers are already signed up. Any members, who wish to help with the seminar, please contact Al at TECO. I am sure he will welcome all volunteers. There is a great deal of planning and preparation that goes into these events, and the earlier that members jump on board to help, the smoother the operation goes.

As always, please remember that our monthly chapter board meeting is held the first Thursday of the month at the boardroom of the Tampa Wackenhut office. This is where the planning, discussion and the basic nuts and bolts of managing an active chapter occur. Any member wishing to observe and participate is more than welcome to attend. The meeting starts promptly at 11:30 and moves very quickly to 1:00. In other words, we get a lot done. The board members, some of whom have been on the board for several years all put many hours in to assist in keeping the chapter running smoothly and assure that the responsibilities are carried out, the programs are interesting and the chapter's finances are solid. Those members deserve a gracious "THANK YOU" from myself as well as all of the chapter members.

In a continuing effort to improve and advance the field of private security, ASIS International Florida West Coast Chapter offers an annual CPP Certification Sponsorship. The sponsorship includes payment for the current year ASIS CPP Application Fee and paid admittance to the annual ASIS Florida West Coast Chapter CPP review. Sponsorships are available to current Florida West Coast Chapter Members who have been active in chapter events and initiatives.

### **Qualifications**

Applicants for the annual sponsorship must meet the following criteria to be considered:

1. Candidates must be in good standing with the national and local chapter and be actively involved with local chapter events and initiatives to include attendance to a minimum of 6 local chapter events for the current application year.
2. Completed applications are due by October 31<sup>st</sup> of each year.

Candidates must complete the ASIS CPP Sponsorship application and provide supporting materials to:

ASIS Florida West Coast Chapter  
405 N. Reo St #150  
Tampa, FL 33609

### **Applicant Review Process**

Applicants are judged solely on the information that they provide to ASIS. All applications will be reviewed by the ASIS Sponsorship review committee which is comprised of the past chairmen's committee to verify that all minimum qualifications are met. Once approved, scholarships will be awarded to recipients during the December membership meeting. Recipients of the sponsorship must be present or have a representative at the December meeting to receive the award. The deadline for application and supporting documents is October 31st of each year.

## Chapter Resources: Looking for a Job Or a New Employee?

If you are an employer looking to fill a position, or if you are an ASIS member looking for a new job, our chapter's Placement Committee can help. We have sections on our chapter web site

([www.asistampabay.org](http://www.asistampabay.org)) for posting job openings and for posting résumés of members looking for work. By utilizing this resource, employers are accessing over 300 committed security professionals who are members of our chapter as well as other security professionals who log on to our site.

Likewise, those members looking for work are exposed to thousands of people who visit our site every year.

If you have a job posting or are a member with a résumé to post, please forward the information to Jeff Barnhart at 863-413-8200 or email [JBarnhart@southernwine.com](mailto:JBarnhart@southernwine.com)

# Welcome to the West Coast Chapter of ASIS International

On January 28th 1974 the Florida West Coast Chapter of ASIS assumed the obligation of and was chartered as a chapter of the American Society of Industrial Security.

The Florida Chapter has a proud 33-year history. We are a three time Chapter of the Year award winner (I.B. Hale Award). And as with any great organization, our true strength is our membership. With close to 300 members and growing this chapter includes top professionals from every security related field in the Tampa Bay Area.

Each year our Chapter awards a scholarship to a local student of merit who shows an interest in the security profession. The scholarship is awarded annually to the best application submitted to the chapter.

ASIS is the largest international educational organization for security professionals, with over 33,000 members worldwide. ASIS is dedicated to increasing the effectiveness and productivity of security

## Scholarships

ASIS International with 32,000 members, is the preeminent international organization for professionals responsible for security, including managers and directors of security.

Each year the Florida West Coast Chapter of ASIS awards a scholarship to a local student of merit who shows an interest in the security profession. The scholarship is awarded annually to the best application submitted to the chapter.

To receive a copy of the scholarship application contact Anthony Mangieri, The ASIS Foundation Chair, at 813-584-3108.

This years winner is Rich Babilacqua.

Congratulation Rich!

## Vision and Mission of the Tampa Bay Chapter

On January 28th 1974 the Florida West Coast Chapter of A.S.I.S. assumed the obligation of and was chartered as a chapter of the American Society of Industrial Security.

Now known as ASIS International this chapter serves as a local resource for information on various security and management skills by exposing members to all disciplines so they can become key players in the modern business environment.

Our chapter provides the opportunity to network and interact with colleagues and other security practitioners in a local setting. We host monthly educational luncheons focusing on local security issues. We produce a two-day annual security conference at the University of South Florida designed to provide members with the most up to date information concerning the challenges of today's security practitioner.

Members are assisted with job placement by distribution of resumes and notification of job listings.

We provide assistance in obtaining the industries most recognized certifications, Certified Protection Professional, Professional Certified Investigator and Physical Security Professional.

Please accept our invitation today by going to our Meetings link and finding out about our next event. To learn how to become a member go to our Membership link for more details.

"Security is your concern. Helping you provide it is ours!"
